

BY THE GOVERNOR OF THE STATE OF GEORGIA

A PROCLAMATION

SUBLUXATION AWARENESS MONTH

WHEREAS: The human body is a well-functioning and well-formed organism that is both complex and organized; and

WHEREAS: Controlling and coordinating the human body are the nervous system and the brain. These work together to orchestrate the vast intricacies of the human body; and

WHEREAS: It is vital that the nervous system be communicating clearly with the rest of the body in order for individuals to function at their maximum potential; and

WHEREAS: Vertebral subluxations were first discovered in September of 1895 and represent one of the most widely common and unknown disturbances of the human nervous system; and

WHEREAS: It is important to be aware of and research the causes of vertebral subluxations in order to experience a better life and improve overall health; now

THEREFORE: I, NATHAN DEAL, Governor of the State of Georgia, do hereby proclaim September 2011, as SUBLUXATION AWARENESS MONTH in Georgia.

In witness thereof, I have hereunto set my hand and caused the Seal of the Executive Department to be affixed this 14th day of September in the year of our Lord two thousand eleven.
